

CERTIFIED HVAC-HYGIENE

Conformity of the
Oxycom series IntrCooll
with the hygiene requirements
of the VDI 6022 guideline
dated 14 December 2020

VDI 3803

SWKI VA 104-01

Validity: December 2020 – November 2023

The device

OXYCOM SERIES INTRCOOLL

a product of
Oxycom Fresh Air BV
Kaagstraat 31
NL 8102 GZ Raalte

conforms the hygiene requirements of the guideline VDI 6022 sheet 1 (January 2018) Ventilation and indoor-air quality; Hygiene requirements for ventilation and air-conditioning systems and units.

The conformity inspection was passed by sample sets from the production at Oxycom Fresh Air BV in Raalte.

Additionally Installation and User Instructions have been checked.

Audit period: October 2020 bis December 2020

The test parameters and results are available on the test report 9813.001_Intrcoollp of 14 December 2020.

This certificate also attests the conformity to the hygiene requirements of VDI 3803 (May 2020) at the time of inspection. The certificate is valid for identical devices until November 2023, subject to any changes to the design or materials used.
